Term 2 (Jul 25, 2023 to Aug 11, 2023)

Instructor: TBA

FNEL First Nations and Endangered Languages Program

[FNEL 191A 001 \(Seminar\): Introduction to an Indigenous Language I](#)

Emphasis on accurate pronunciation, conversation, basic grammatical structures, listening and literacy skills, and the study of oral traditions in their cultural context. No prior knowledge of this language is assumed. Not offered every year.

With growing public interest in learning more about the language and culture of the Musqueam peoples on whose traditional, ancestral, and unceded territory UBC is situated on, this 3-credit course will introduce learners to the rich inventory of sounds (22 consonants not in English) and the orthographic symbols that represent those sounds (as evidenced by the growing presence of Musqueam Central Coast Salish Language street signs, building names, site acknowledgements, and art installations on campus and throughout the lower Fraser Delta).

For students interested in this course, please register in the waitlist section and we will contact students that are admitted to the course. The location of the class is on the Musqueam Reserve at the

Musqueam Community Center, 6735 Salish Drive, Vancouver, B.C. For questions and concerns, please contact cis.program@ubc.ca

Term 2 (Jul 24, 2023 to Aug 11, 2023)

Instructor: Point Bassett, Charla Grace

FNEL 480A 001 (Lecture): Endangered Language Documentation and Revitalization

Critical study of the historical, social, cultural, political, and economic factors impacting on language loss, retention, and revival. Research on and application of methodologies for collaborative, trans-disciplinary, community-based documentation and revitalization of BC's Indigenous linguistic heritage.

This is a two week intensive course run on Tuesday, Wednesday, Thursday and Friday at 9 a.m. to 3 p.m.

Graduate students: please email cis.program@ubc.ca with your intent to register in the grad section of [FNEL 448G](#) and we will get back to you as soon as possible. If the course is full please register in the waitlist section, FNEL 480A WL1 and you will be moved into the course when seats open up.

Term 1 (May 15, 2023 to May 26, 2023)

Instructor: Galla, Candace
